On days when carts are restricted to the cart path, the time allowed will be 4 hours and 30 minutes. It is expected that play on the front nine (9) should arrive at the Raphael Grille in 2 hours, and take no more than 2 hours and 20 minutes to complete playing the back nine and return the carts to the clubhouse. Singles, twosomes and threesomes should not expect to play through foursomes and should not exert pressure on the groups ahead. Foursomes shall have the right of way. The golf shop staff has complete authority to monitor play, and move groups if necessary.

"Your position on the golf course should be immediately behind the group in front of you, not immediately in front of the group behind you."

LIGHTNING POLICY

Shelters can be found on holes #6 (bathroom), the Raphael Grille, on #10, or on #15. If you are in the area of the clubhouse, please return immediately. If lightning is detected, we will sound a siren to alert golfers on the course. It is ultimately the responsibility of each golfer to be aware of changing weather conditions. Please note that if lightning is near and you have not heard the siren, all golfers should immediately take shelter. Frequently, lightning will develop above the course without warning. When play resumes, groups should maintain position according to tee times unless groups have agreed during the storm delay to allow a faster group to play through.

HOLE-IN-ONE-CLUB

The Club will once again have a Hole-in-One Club. All Members and their spouses who were enrolled the previous year will automatically be enrolled for a \$5.00 charge per person every time a hole-in-one is made (you will see this on your billing statement), unless you opt out by emailing ehaberland@ravennagolf.com. These funds are split up evenly, with half allocated to the drink tab for that day, and half allocated back to that Member in Golf Shop credit. On the day of hole-in-one, drinks will be served when the Member who made the hole in one arrives in the clubhouse, at no charge, until the allocated funds are spent!

HOLE-IN-ONE GUIDELINES

Only Members and Member's spouses/significant others (as identified in the Member Roster) can be enrolled in the Hole-in-One Club. Holes-in-one will be recognized when the tee markers and greens are regulation (temporary greens are not regulation), and the round is eligible for score posting. The hole-in-one must be witnessed by another golfer in your group. You must complete all 18 holes of golf, unless the hole-in-one occurs in a Club-sanctioned 9-hole event.

FORMAT

Ladies Opening Day is an 18-hole Two-person Scramble to kick off the golf season. The team's course handicap will be determined by combining 15% of A player's and 35% of B player's handicaps. Teams will first be divided into flights based on combined handicaps. ***Must use 7 tee shots from each player***

In Scramble Format each player will tee off from the teeing ground. The team will choose the best drive and all players will play from that spot. This process is repeated until the ball is holed. Once the best shot is chosen, you may play lift, clean, and place within one club length, no closer to the hole. You may NOT improve your position on the golf course. For example, from rough to fairway or fringe to green. If the chosen ball is in a bunker, players may rake the area after each shot and play from the nearest point where the first ball first came to rest. Remember, if you miss a putt, and your team still has another chance to make it, do not tap it in or that score will count.
