Here, a Player Services Attendant will greet you and unload your golf clubs from your vehicle, and load them on a golf cart for you. Once your clubs have been unloaded, you can have your vehicle valeted or you have the option of parking your vehicle in the club's parking lot.

## REGISTER IN THE GOLF SHOP

We ask that all Members and Unescorted Guests please register in the Golf Shop before starting play.

## PRIOR TO YOUR TEE TIME PRACTICE/WARM UP AREAS

- The Club has a full driving range for warm up/practice prior to your round.
- The short game green is for warm up/practice chipping and pitching.
- The putting green is for putting only.

## YOUR TEE TIME

All players are required to be off the 1<sup>st</sup> Tee at their assigned Tee Time. Example: If your Tee Time is 10:00 a.m. then your group should have all played their first shot and be moving down the fairway by 10:00.

## MAINTAIN A PACE OF PLAY

While playing The Club at Ravenna we hope to provide an enjoyable, well-paced round of golf. The round should take no more than 2 hours on the front nine this includes the time it takes to drive over the hogback and arrive at the Raphael grill and no more than 2 hours and 20 minutes on the back nine. It is expected that the total time to play an 18-hole round of golf and return the carts to the clubhouse is 4 hours and 20 minutes.

## HAZARDOUS WEATHER

In the event of lightning in the area we will sound the lightning detection system. At this point it is your choice to stop playing or not. It is ultimately the responsibility of each golfer to be aware of changing weather conditions. If lightning is spotted and you have not heard the siren, all golfers should immediately take shelter. Shelters include the bathroom on Hole #6 and the Raphael Grille on the back nine. Frequently, lightning will develop above the course without warning. If you are in the area of the clubhouse, please return immediately. Two consecutive sounds of the siren means the weather has passed and all is clear.

## HELP MAINTAIN OUR GOLF COURSE

- Please replace fairway divots if possible, otherwise use the sand/seed mix provided on the golf carts.
- Please repair all ball marks on the greens.
- After raking your bunker, please leave rakes outside of the bunkers.
- Keep the carts on the paths wherever possible. When parking or traveling on the path make certain all four wheels are on the path.
- Always use the cart path where provided, especially near tees and greens. Carts should remain on cart paths on all par threes.
- Do not drive within 30 yards of a green or tee except on the cart path.
- Golf carts are not to be driven through the areas of native grasses.

## COMPLETING THE EIGHTEENTH HOLE

Please proceed to the golf cart staging area where you will be greeted by a player services staff member who will wash your clubs and have them ready for your departure. We ask the members and guests not to drive carts into parking lots to unload golf clubs.

## TIPPING POLICY

The golf player services staff is compensated based on a non-tipping philosophy; therefore, gratuities will not be accepted.

## AFTER YOUR ROUND

Please join us in our clubhouse. Enjoy the breathtaking views on the patio overlooking the 18<sup>th</sup> hole. It's a great place to enjoy some drinks and the chef's cuisine.
